

Nick's HOA's Marco Instructions

1. Startup the connection (The most difficult part)
 - a. Go to the Folder call 'budget_app'. Should look like the picture below

- b. Click the file that says 'Launch Budget Processor'. (It will take some time to open everything)

c. Your screen should now look like this

The screenshot shows a web browser window with the address bar displaying 'localhost:5000'. The page title is 'Budget Processor — HomeOwner:'. The application header includes the 'HOMEOWNERS ADVANTAGE' logo, the text 'BUDGET PROCESSING TOOL', and a red button labeled 'STOP APP WHEN DONE' with the subtext 'CLICK WHEN FINISHED'.

Monthly Budget Processor

Import and consolidate financial data into the master budget workbook

3 STEPS TO COMPLETE

1 Association Details

Required for file naming & backup

ASSOCIATION NAME * e.g. Spire	ASSOCIATION NUMBER * e.g. 1942
MONTH * Select month	YEAR * e.g. 2025
WORKBOOK PASSWORD * Enter workbook password	BACKUP FOLDER * No folder selected BROWSE

2 Source Documents

Click each tile to select the corresponding file

RUN BUDGET PROCESSOR

Complete all fields and select all files before processing

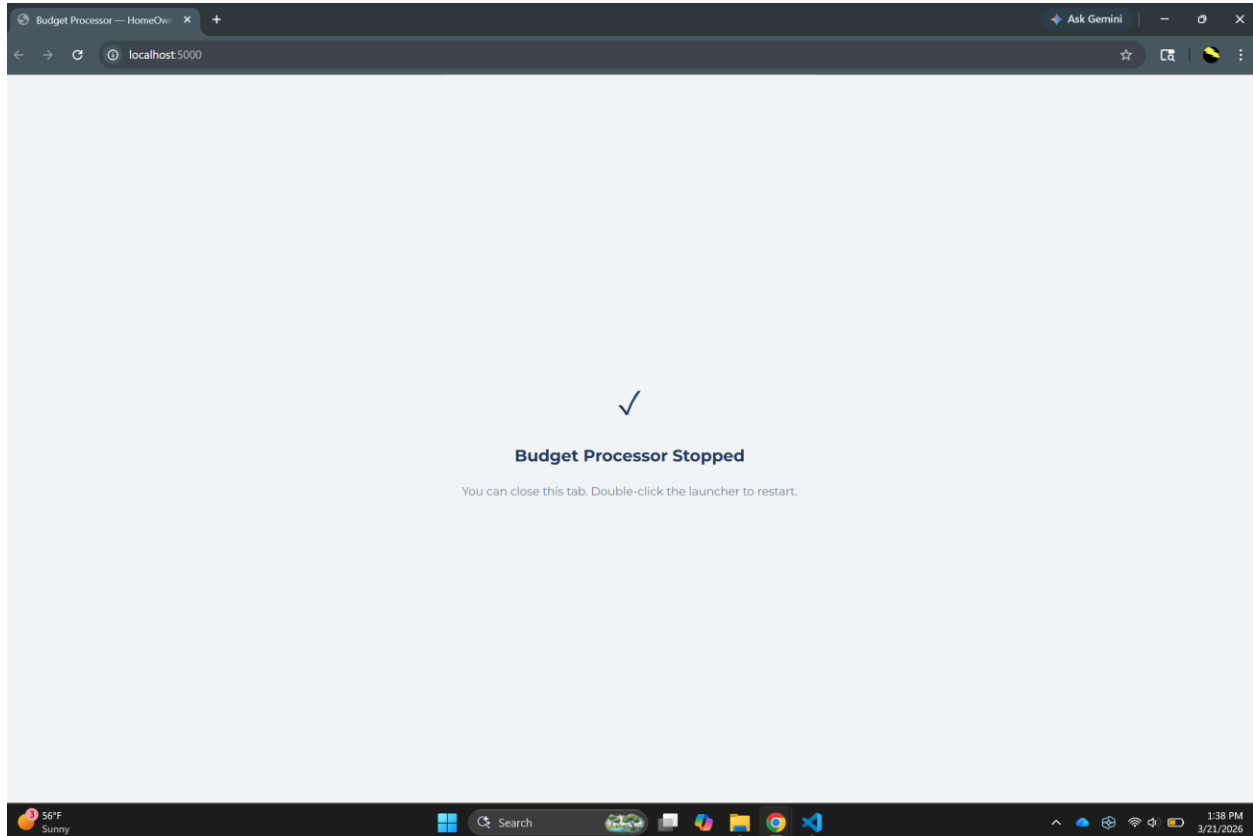

3. To close the website correctly, it is important you follow these steps
 - a. Click the 'Stop App' button in the top right.

b. You will then be prompted with the below message. Press 'Ok'

c. Now you can close the website entirely.

- d. If you forget to do this, it's ok. You can close it another way. Go back to the folder with the file to start the website. Click the **'Stop Budget Processor'** button
